Learn Locally. Ski Globally.

OUR SCHOOL

Pretty River Academy

Pretty River Academy is an independent Pre-kindergarten to Grade 12 school with a 20-year history of academic excellence in Collingwood, Ontario. Located on 50 acres of environmentally protected wetland with an outdoor classroom and direct access to the Georgian Trail for hiking and running.

opportunities

Our Campus & Facility

Our world-class campus and facility is located on Highway 26 West between Collingwood and Craigleith and is ideally situated for Ontario students enrolled in competitive ski programs.

Pretty River Academy's full-sized modern gymnasium provides an ideal space for dryland training. Our full-sized, artificial turf soccer field is a versatile location for a variety of outdoor training activities. The expansive Georgian Trail runs directly onto our 50 acre property connecting us to direct and immediate access, right from the gymnasium doors.

Academic Excellence

Zane Frantzen
Loran Scholar - 2018

Pretty River Academy
Collingwood
Ontario

Our 20-year commitment to academic success means our students frequently earn some of the most prestigious scholarships in Canada and our high school graduates always enter the university of their choice. Recent awards include the Loran Scholarship (2018) and the Engineering Ambassador Scholarship (2016), both of which award more than \$100,000 to students from across Canada.

Samantha Stewart, 2016
Engineering Ambassador
National Award Winner

Pretty River Academy's students have won the Waterloo Math exams for the geographical zone from Barrie to Sault Ste. Marie for the last two years. They have received honours in the U of T engineering competitions and routinely qualify for the Canada-Wide Science Fair.

ALPINE ONTARIO PARTNERSHIP WITH PRETTY RIVER

SUMMARY

Pretty River offers

Experience tailoring programming for elite athletes

Programming to accommodate each athlete's academic and training demands

Flexible and supportive environment

High-quality instruction & sustainable academic skills to support university success

Pretty River's Olympians

Many elite athletes have attended our school for individualized class scheduling, and Individualized Learning Plans to prepare for university acceptance and success while meeting their demanding training and racing schedule. These include Olympic skier Larisa Yurkiw, Olympic Snowboarder Palmer Taylor, and Olympic Equestrian, Megan Lane.

Individual Learning Program for Each Athlete

Pretty River Academy offers effective individualized academic programs for all students.

Alpine Ontario racers are hardworking, high achieving student athletes who will be supported by our experienced academic team. Athletes thrive in our positive learning environment.

Individual learning strengths and weaknesses are identified and addressed in the first two months of school to ensure long-term academic success.

The PRA

ADVANTAGE

Our Faculty

Pretty River high school teachers are experienced providing educational support to high achieving students with interests beyond the classroom.

Our Headmaster boasts 15 years administrative experience working at an elite golf academy next to the Tiger Woods Training Facility in Florida and has experience placing athletes in the Ivy League schools of America. Pretty River Academy's goal is to ensure academic achievement for each student. We are committed to tailoring instruction around Alpine Ontario's student athlete training and racing schedule.

The Whole-student Approach

Etiquette lunches where students learn table manners and the art of conversation for social and business success.

Biking Through Time Program: Students bicycle the trails while learning about the regions's rich history

Creation and implementation of vision boards and systematic goal setting is instilled from Grade One, throughout the school career.

- Wellness program
- Art, taught by an exhibiting artist
- Music, taught by a performing musician
- Study clinic until 4 pm to complete homework with teacher support and fill-in academic gaps
- A variety of clubs and activities to enrich students' school day and build experience for University applications
